A TIMELY NOTICE

To the Public in the Fire Limits of Ocala: If you want prompt and quick service from the Fire Department you should be careful, when delivering an alarm, to give us the location of the fire. If not able to state the exact property, name some prominent place in the near neighborhood of fire. The ward alone will not do, as that causes us to have to hunt for the fire and valuable time is lost. W. C. Bull, Chief.

"STICK TO IT"

Geo. L. Heard, of High Tower, Georgia, writes: "Eczema broke out on my baby, covering his entire body. Under treatment of our family physician he got worse, as he could not sleep for the burning and itching. We used a box of 'Banner Salve' on him and by the time it was gone he was well. The doctor, seeing it was curing him, said, 'Stick to it, for it is doing him more good than anything I have done for him.' Anti-Monopoly Drugstore.
